4	Waist the narrowest part of the waist	_____
5	Hip the fullest part of the hip	_____
6	Sleeve length, upper arm sleeve (shoulder to wrist) · upper arm (fullest part)	_____ _____
7	Dress length shoes off · from shoulder or nape to the length you want	_____
8	Trouser length (ao dai) from waist to hem, to suit the cut	_____

♥ Before you start

- Measure over close-fitting underwear, not over thick clothing.
- Use a soft tape measure and follow the marked positions.
- Measure twice so you can check the numbers against each other.
- If anything about your body is particular to you (uneven bust, a high or low waist), please add a note.
